FOR IMMEDIATE RELEASE

5th December 2011

Littleborough's Christmas Window Competition

Littleborough shops have got into the festive spirit and decorated their windows.

The public can vote for their favourite shop window online on community web site www.littleboroughlocal.co.uk until 17th December. The public votes will be combined with LEAF committee votes and the winning shop will win the coveted LEAF Christmas Window Trophy and a banner advert on LittleboroughLocal for 1 year.

Last year's winner, Janet Rawlinson from Janet's Hair Salon, is defending her title with a winter scene display. However, this year she faces stiff competition from the other shops.

Littleborough shops have everything you need for Christmas. You can make yourself look glam by having your hair done at Urban Trends, Janet's or Changes and then get some new outfits, shoes or accessories at Best Dressed and Tiger Feet.

Littleborough Gallery, The Flower and the Glory, Lavender Lane or Pumpkins stock a huge range of special, unique gifts.

If you fancy making a gift with that personal touch, then Classy Cakes and Thimbles stock everything you need.

Occasions and Celebrations can provide your Christmas Cards, party balloons and a range of special gifts.

Support your local traders and shop locally.
